

/ CONNECTING PEOPLE. POWERING COMMUNITIES.

/ FULL SERVICE EPC+ UTILITY CONTRACTOR.

With over 35 services available and almost four decades of experience completing some of the biggest utility projects in Canada, the Valard Group of Companies is your only choice for full service EPC+.

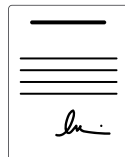

/ SEAMLESS INTEGRATION BETWEEN OUR BUSINESS UNITS.

We put together a team of professionals with decades of experience in each of their respective fields. Essentially we build your project dream team. You have one point of contact at Valard, sign one contract, and you don't have to worry about coordinating a myriad of contractors. All you see is your project completed on time, and on budget.
